I Walk the Line
by Johnny Cash

```
A                E                          A                E
     I keep a close watch on this heart of mine.  I keep my eyes wide open
              A                 D                          A
     all the time.  I keep the ends out for the tie that binds. Because
             E                A
     you're mine, I walk the line.

A              E                     A              E
     I find it very very easy to be true.  I find myself alone when each
              A               D                       A
     day's through.  Yes I'll admit that I'm a fool for you. Because you're
             E                A
     you’re mine, I walk the line.

A                E                        A                E
     As sure as night is dark and day is light.  I keep you on my mind both
              A               D                                A
     day and night.  And happiness I've known proves that it's right.
                     E               A
     Because you're mine, I walk the line.

A                 E                       A                   E
     You've got a way to keep me on your side.  You give me cause for love
                  A               D                             A
     that I can't hide.  For you I know I'd even try to turn the tide.
                     E                A
     Because you're mine, I walk the line.

A               E                           A                E
     I keep a close watch on this heart of mine.  I keep my eyes wide open
              A                 D                          A
     all the time.  I keep the ends out for the tie that binds.  Because
             E                A
     you're mine, I walk the line.
