

Almost here

Am Am
Did I hear you right?

G F
Cause I thought you said, let's think it over.

Am Am
You have been my life.

G F
And I never plan, going on without you.

[Start strumming]

F Am G
Shadows bleeding through the light, where the love once shined so bright,

Came without a reason.

F Am G [let it ring]
Don't let go on us tonight, loves not always black and white.

F [let it ring]
Haven't I always loved you?

C Am F G
But when I'm with you, you're almost here

C Am G
And I know that's not enough.

C Am F G
And when I'm with you, I'm close to tears

F G Am
Cause you're only almost here...

Am G
I would change the world. If I had a chance.

F
Oh won't you let me?

Am Am G
Treat me like a child. Throw your arms around me.

F
Oh please protect me.

F Am
Bruised and battered by your words

G [ring]
Dazed and shattered now it hurts

G [ring] F [ring]
Haven't I always loved you?

C Am F G
