

FISHERMANS BLUES**Waterboys****D C Em G**

play it twice

1st verse:

D **C**
 I wish I was a fisherman, tumbling on the seas
Em **G**
 Far away from dry land, and it's bitter memories
D **C**
 Casting you my sweet light with abandonment and love
Em **G**
 No ceiling staring down on me, save the starry sky above

Chorus:

D C Em G
 With light in my hair, you in my arms, woo woo ooh

2nd verse:

I wish I was the brake man, on a Hartland diesel train
 Crashing headlong into the heartland, like a cannon in the rain
 With the beating of the sleepers, and the burning of the coal
 Counting towns flashing by me, in a night that's full of soul

Chorus:

D **C**
 Oh I know I will be loosened, from bonds that hold me tight
Em **G**
 And the chains all hung around me will fall away at last
D **C**
 And on that fine and fateful day I will take thee in my arms
Em **G**
 I will ride the night train, and I will be the fisherman

Repeat chorus
