

Girls In Their Summer Clothes chords  
Bruce Springsteen \*

A D 2x

Well the street lights shine,  
D A E  
down on Blessing Avenue

Lovers they walk by,  
D E  
holding hands two by two

A breeze crosses the porch,  
D A E  
bicycle spokes spin around

Jacket's on, I'm out the door;  
D E  
tonight I'm gonna burn this town down

And the girls in their summer clothes,  
D A  
in the cool of the evening light

The girls in their summer clothes,  
D A  
pass me by  
E

Kid's rubber ball smacks,  
D A E  
off the gutter beneath the lamp light

Big bank clock chimes,  
A  
D E  
off go the sleepy front porch lights

Downtown the store's alive,  
D A E  
as the evening's underway

Things been a little tight,  
A  
D E  
but I know they're gonna turn my way

And the girls in their summer clothes,  
D A  
D A  
in the cool of the evening light

The girls in their summer clothes,  
D A  
E  
pass me by

Frankie's Diner's,  
A  
D A  
over on the edge of town

Neon sign spinning around,  
D F#m  
D A D  
like a cross over the lost and found

A  
 Fluorescent lights,  
 D A  
 flicker above Bob's Grill;  
 D A  
 Shaniqua brings a coffee and asks "fill?"  
 D A D E  
 And says "penny for your thoughts now, my poor Bill"

A  
 She went away,  
 D A E  
 she cut me like a knife  
 A  
 Had a beautiful thing,  
 D E  
 maybe you just saved my life

D F#m  
 In just a glance,  
 D A E  
 down here on Magic Street  
 F#m  
 Love's a fool's dance,  
 D A D E  
 I ain't got much sense, but I still got my feet

D A  
 And the girls in their summer clothes,  
 D A  
 in the cool of the evening light  
 D A  
 The girls in their summer clothes,  
 E  
 pass me by

D A  
 And the girls in their summer clothes,  
 D A  
 in the cool of the evening light  
 D A  
 The girls in their summer clothes,  
 E  
 pass me by

A D A E  
 La la la li, la la la la la la li  
 A D E  
 La la la li, la la la la la la li  
 A D A E  
 La la la li, la la la la la la li  
 A D E  
 La la la li, la la la la la la li

D A

\* Alternate:

Capo III

A = F#  
 D = B  
 E = C#  
 F#m = D#m
