

HARVEST MOON

Neil Young

G **D**
Come a little bit closer, hear what I have to say

G **D**
Just like children sleepin' we could dream this night a way.

G **D**
But there's a full moon rising, let's go dancing in the light.

G **D**
We know where the musics playing, lets go out and feel the night.

chorus:

G **A** **G**
Because I'm still in love with you, I wanna see you dance a gain, because
A **D**
I'm still in love with you, on this harvest moon.

intro:

When we were strangers
I watched you from afar
When we were lovers
I loved you with all my heart

But now it's gettin' late
And the moon is climbin' high
I want to celebrate
See it shinin' in your eye

---2--2--2--2--2--2--2--2--2----

this during the intro (and elsewhere?)
