

Working on a Dream by Bruce Springsteen (Studio Version)

Capo 3rd Fret

Out here the nights are long, the days are lonely  
I think of you and I'm working on a dream  
I'm working on a dream  
Now the cards I've drawn's a rough hand, darling  
I straighten the back and I'm working on a dream  
I'm working on a dream  
I'm working on a dream  
Though sometimes it feels so far away  
I'm working on a dream  
And I know it will be mine someday  
Rain pourin' down, I swing my hammer  
My hands are rough from working on a dream  
I'm working on a dream  
I'm working on a dream  
Though trouble can feel like it's here to stay  
I'm working on a dream  
Well our love will chase trouble away  
I'm working on a dream  
Though it can feel so far away  
I'm working on a dream  
Our love will make it real someday  
The sun rise up, I climb the ladder  
The new day breaks and I'm working on a dream  
I'm working on a dream  
I'm working on a dream  
Though it can feel so far away  
I'm working on a dream
